

Technical Specifications

VENUS #1

The suspensions, inspired by the sinuosity and curves of the female body, combine metal and lycra to mimic a slender skeleton draped in soft, elastic skin.
Designer: Serena Confalonieri.

Environment	Indoor
Light source	1 x 29W Strip LED, 3000k, CRI>80 (included) 1 x 9W LED Board, 3000k, CRI>80 (included)
Voltage	220-240V 110-120V
Power	Max LED 38 W
Cable lenght	300 cm
Dimmable	Compatible with dimmable system upon request
Wiring	CE UL
Weight	7 kg
Materials	
Lampshade	Heat sealed Lycra
Structure	Chromed iron and aluminium

Colors

	Body/Azure
	Body/Orange
	Body/Pink
	White

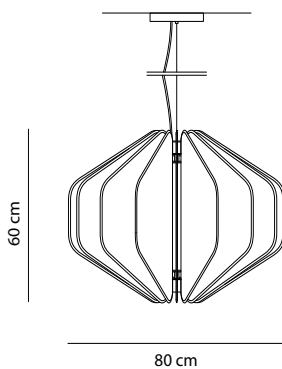

Technical Specifications

VENUS #2

The suspensions, inspired by the sinuosity and curves of the female body, combine metal and lycra to mimic a slender skeleton draped in soft, elastic skin.
Designer: Serena Confalonieri.
